Hockey The annual game for "newer" Old Boys, November 11th, at Memorial Rink, 8:00 P.M. Pets Ashworth (935-1672 at Selwyn House or 631-1493 at home) and Gordie MacDougall (933-7066) are in charge, and ask any volunteers for this game to notify them at least a week before the fixture. They are arranging practice ice, and can find places only for those who let them know in good time.

No Squash on Fall Menu: The Old Boys' Annual Invitation Tournament has always had a fair number of ranking players in Canadian squash, and boys at the School have seen the best in the country almost every year. Owing to numerous important engagements during the fall and early winter months, very few really good players are able to make a Lennoxville weekend this year, and it has been decided to run the tourney early in May. This is squash season as far as the boys at School are concerned, and interest should be even keener in the interval between winter and outdoor spring sports. More data on this in the Easter Bulletin.

Glad Rags: The Association has a full supply of Old Boys' ties in four-in-hand, bow and Ascot styles. Old Boys' scarves are also available from the same source. Write or call on Lt. Col. John Blue at the School - the man to put you in as a well-dressed Old Boy.

### FROM THE PRESIDENT'S DESK:

In spite of the fact that the Bulletin goes to press before our yearly round of events gets into high gear, I would like to take this opportunity to bring you up to date on a few happenings of the Association since last April's Bulletin was published.

To begin with, your Directors were rather disappointed, to put it mildly, with the turnout at the Golf Tournament held last June at Candiac. Lack of enthusiasm can be the only answer, as weather conditions and arrangements were superior. Once again we had more prizes to award than competitors to present them to. Having gone through two years in a row with such mediocre participation, we will most probably scrap any future get-together of this nature.

While on the subject of reunions, the Ottawa "bash" is on this fall in connection with the B.C.S. - Ashbury football game on Saturday, October 26th. Peter MacDougall, Tim Porteous, Tony Abbott and Chris Osborne are in the midst of arranging a post-game cocktail party and buffet lunch. Ottawa Valley Old Boys will be receiving details in the near future. Any non-Ottawa Valley Old Boys who would like to attend can obtain information by writing to Col. John L. Blue at B.C.S.

The Annual Giving Campaign has passed the \$7,000 mark for the first time! Congratulations to all the many Old Boys who have helped make this possible. Again I reiterate - the 1967 Campaign ends October 31st, so there is still time to join the band wagon.

FROM THE PRESIDENT'S DESK (Cont'd):

In regard to Annual Giving, I am very pleased to report that this year EIGHT students are to benefit from scholarships and bursaries provided by our Association. Funds for this purpose, amounting to \$4,400 were disbursed by your Directors last December.

Recipients are Ian Anderson (Hudson, Que.), David Cardozo (Westmount, Que.), Ronald Cathcart (Westmount, Que.), Eruce and Ian Dowbiggin (Pointe Claire, Que.), Harland Irvine (Red Deer, Alta.), Thomas Manson (Vancouver, B.C.) and George Willows (Vancouver, B.C.).

Finally, I must report that excellent progress is being made toward the establishment of the "B.C.S. Foundation", of which mention was made in my letter in the 1966 Spring bulletin.

"Letters Patent" incorporating the Foundation have been issued by the Government of Quebec, and your Board of Directors will be meeting with the Board of Directors and the Senior Staff of the School in the very near future to discuss the document and its by-laws.

Of interest to Old Boys residing in the United States is that, at this time, we are applying to the Internal Revenue Service to seek tax exemption for contributions received by the Old Boys' Association and the Foundation. At present our exempt status is recognized by the Canadian Government only.

In closing, may I express the appreciation of all Old Boys to John Elue and Graham Patriquin who work so hard in preparing this Bulletin. Our debt to them is a difficult one to repay.

Sincerely,

BILL SHARP
